

# Siddharth Suman

Software Engineer III

## Objectives

Looking for a continuous learning environment and professional growth in an organization where my skills are adequately utilized.

I wish to contribute the skills that I have learned over the years for the betterment of the organization.

## About Me

Software Engineer III with a total experience of 5 years and 10 months and currently working with FactSet Systems India Pvt Ltd.

Self-motivated and adaptable kind of individual who yearns to get his hands on the latest trends in technology.

Quick learner and a team player who is neither afraid to take lead nor afraid to ask for help in case I get stuck anywhere.

Possess good communication, interpersonal, and leadership skills and can effectively deal with teammates and clients.
